

Smart Summaries

Faster Insights Powered by Generative AI

Kira's Generative AI (GenAI) summarization feature offers easy-to-read summaries of Kira smart field extractions, providing legal teams with valuable first drafts for diligence summaries.

Smart Summaries helps legal teams:

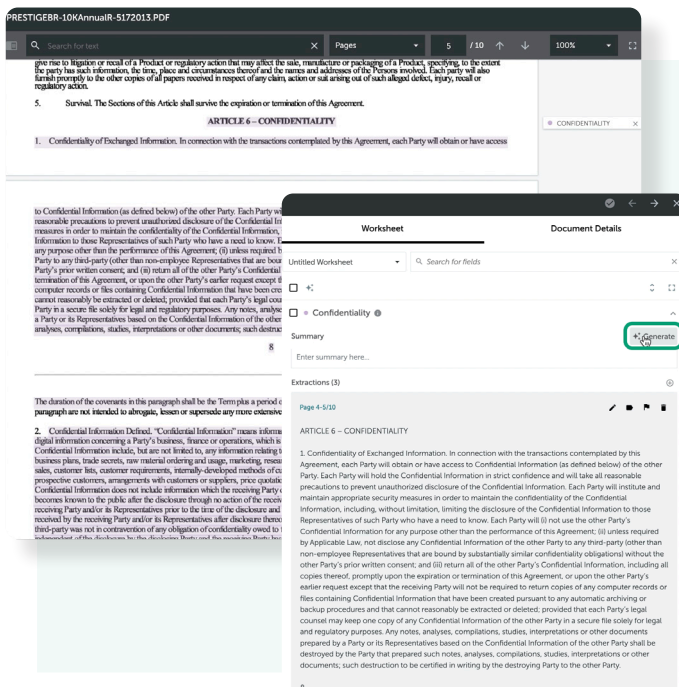

Accelerate the analysis phase of contract reviews.

Save time on drafting summaries of contract clauses.

Focus on higher-level work and deliver recommendations and strategic advice to clients more effectively.

"We are incredibly excited about our continued partnership with Litera and the integration of Kira Smart Summaries with an OpenAI model. This innovative solution allows us to better serve our clients by expanding our robust, cost-effective contract review process while maintaining enhanced data security."

Bill Garcia, Chief Practice Innovation Officer,
